### NEWS FROM THE PROJECT

#### Blended Mobility - Transnational Meeting

From 25 to 31 May 2021, as part of our project, we conducted an international meeting, the event was hosted by our Portuguese Partner. The meetings were attended by people with disabilities from each country of the project partners.

Report on website SNRSS (PL version): <http://spoldzielnie.org/new,989>

#### International textbook testing

## 4th Newsletter of the Project

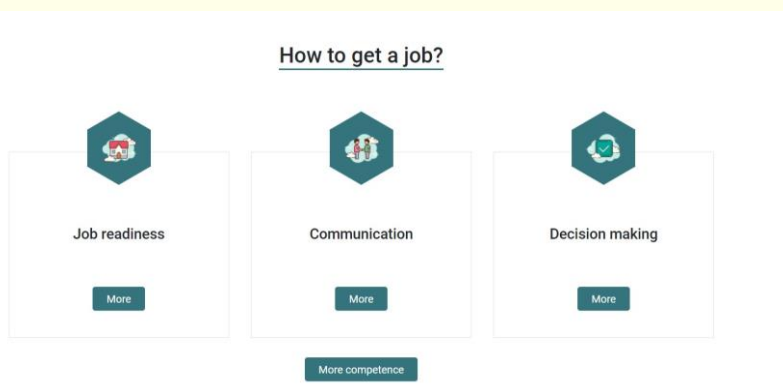

Together with teams of people with disabilities and job coaches, we test educational materials developed as part of the textbook "How to Get and Keep a Job".

We will use the feedback collected during testing to improve and refine the material contained in the manuals. The materials will be available in several language versions, incl. in English, Polish, Spanish or Bulgarian.

### Online educational materials

Part of the tools designed as part of our project is a website with educational materials - for reading, listening, and watching. We highly recommend it

### Conference at the end of the project

Train-Inc Project comes to its end. The final event was the Conference, celebrated on Thursday, July 15th, where we summarized the Project. It was an opportunity for exchanging opinions and disseminating the Project results among the regional community. The event was streamed live online, on the Amicos Youtube Channel and available now at <https://youtu.be/B4XC1heclAc>

As part of Project closure, we showed a video summarizing the Project and what it meant for Amicos in particular: <https://youtu.be/sP3xHEj29w>
